

Around the House...

June 2018

It was Hilda Rosenbaum's dream to create a home away from home for patients and their families at WVU Medicine. Each day, when we work with families, we are watched over by this beautiful photo of Hilda and are constantly reminded of her strength, love, and dedication to making her dream a reality. We are thankful for the work Hilda began 19 years ago. We strive to continue to provide the care and comfort she intended. The staff often refer to this photo to help explain to families why we are here to help in their time of need.

Thank you Hilda and thank you to all who continue to support this dream!

Rosenbaum Family House

Join our 19th birthday celebration

Donate \$19 in honor of 19 years of providing a home-away-from –home to over 17,000 families.

Your donation will go towards our Rosenbaum Family House fund to support our meals and weekly activities. We are proud to serve over 40 meals a night, five days a week; however, the need for the service continues to increase. Donations will help us provide healthy food, beverage and other meal and kitchen necessities on a daily basis. Meals are always free of charge to our guests.

We are fortunate to have volunteers, groups, and companies that prepare meals for our guests each week. Please contact Jill Zangari at 304-598-6094 Opt. 3 or at jillian.zangari@wvumedicine.org if you, or someone you know, would like to help.

Adopt A Day Program

Your support makes a significant impact. 100% of the funds raised from the Adopt A Day program go to the Care & Comfort Fund. This fund pays for the room balance for families in need.

While no one is ever turned away due to the inability to pay, your tax-deductible contribution will provide peace of mind to a guest facing a financial/medical crisis as well as allowing us to keep our rates as low as possible.

The Power of Love, Strength of Spirit, and Belief in Family

There are two ways to support the Adopt A Day Program. Donors can adopt a day for \$250 or a week for \$1000. Whichever options is chosen, the special day or week can be in celebration of a special occasion, in honor of a special person, or in memory of a loved one. The donor selects both the date(s) and the message that will be shared on our Adopt A Day screen in the lobby, in our newsletters, and on our Facebook page.

We are in immediate need of styrofoam cups and small dessert plates.

Kids from the Camp Explorations program at the Child Development Center at WVU Medicine spent an afternoon painting and planting pots of flowers for the house. These are just a few that are located on the RFH deck for our guests to enjoy. It's a little hard to see, but the pot to the right says "family comes first." Such an appropriate thought for Family House! Thank you for sharing your creativity, these pots definitely brighten everyone's day.
