The Jones Family

We may not be operating in the way we usually do, but we are still here, still open, and still helping patients and their families at WVU Medicine. We are thankful for the support we have received from so many throughout the past weeks, from donations of wish list items, to handmade masks, to evening meals for our families. Please know we appreciate you and you are making a difference in the lives of our guests and our team.

Heartfelt THANKS TO OUR VOLUNTEERS!

National Volunteer Appreciation Week was celebrated the week of April 19-25th. Rosenbaum Family House has an outstanding group of volunteers, from our weekly volunteers to our Dinner Crew Members. Our volunteers greatly enhance the support we are able to provide to our families. Whether it's an afternoon of laughter playing bingo, a smile and a hug when someone is having a bad day, or a hot meal and good conversation, every interaction between our volunteers and guests makes a difference. Celebrating our volunteers is something we love to do and we look forward to having them all back with us when it's safe. Until then, we say THANK YOU!! To each person who has donated their time at the RFH, we appreciate you! A special thanks to our weekly volunteers, including Lesley Klishes, Beverly Martin, Heather Britton, Marie Richardson, and Sue Woodruff. These volunteers have donated countless hours to the House. We'd also like to thank our student volunteers, including Wendy Jent, Daniel Proctor, Leigha Shreve, and Mackenzie Dotson. We hope to see all of our students again in the fall. Our Volunteers ROCK!

Our immediate needs include Keurig coffee pods, quart sized baggies, plastic forks and spoons, large and dessert sized paper plates, paper bowls, laundry detergent, and liquid fabric softener. You can visit our Amazon registry to ship items or have them shipped directly to 30 Family House Drive, Morgantown, WV 26506. Thank you in advance for your support.
