Celebrating Our Volunteers!

The celebration of our volunteers continued with the Friends Auxiliary Annual Meeting and Awards Luncheon held on May 2nd at Atria's in Morgantown. Three of our volunteers, Judi Polak, Lesley Klishis, and Beverly Martin were honored for the service hours they have provided to WVU Medicine and Rosenbaum Family House. Judi has provided 500 hours of service, Leslie has provided 2,000 hours, and Beverly has provided 2,500 hours. Lesley Klishis also received the award for Volunteer of the Year! We are so thankful for the time these ladies have put in to helping us make Family House and WVU Medicine a great place to be for our patients and their families. Congratulations ladies and to all the volunteers who were honored!

Twice a year members of the Lisa Simmons Circle of the First Baptist Church in Weston, WV make a visit to the House bringing with them wish list donations they have collected. The ladies make a day of it by visiting the House, delivering their wonderful donation, and having lunch on their way back home. We look forward to their visit and are always blessed by the generosity they show our guests. Thank you ladies! We appreciate your giving spirits and look forward to seeing you in the fall.

Women from the Sabraton (WV) Baptist Church recently held a Mother's Day Tea and collected items for Rosenbaum Family House. Development Officer Jill Zangari spent an evening with this group and collected the donation pictured to the left. Many of these items have already helped make our guests more comfortable. Thank you so much for your support!
