Gatekeepers Lend a Hand

Throughout this pandemic, we have, as always, provided those at Rosenbaum Family House a safe environment, but we have had help. Fellow WVU Medicine employees signed up to support other departments as needed and we were fortunate to receive a great group to serve the House as gatekeepers. Stationed at our front door 24/7, these gatekeepers asked all who entered the House a series of COVID-19 related questions, directed them to the right areas based on answers given, and ensured all had masks. The comfort this provided to our staff and guests alike was invaluable.

A huge thank you to Jessica Blackburn, Carol Butcher, Jamie Goldsmith, Brittany Johnson, Alyssa Martin, Teresa Prince, Melanee Savage, Maxine Shaw, and Amber Sheets for being our gatekeepers. We also would like to thank Leslie Crossley, Michael Gaydash, Crystal Rosenberger, and Crystal Tephack for lending us their employees. A huge thank you to the team of Vicki Chase and Charlie Wisiloski for coordinating everything. You are ALL rock stars and we appreciate your support!

The Generosity of Others

Throughout the history of Rosenbaum Family House (RFH) we have experienced the generosity of others, from the beginning with Hilda Rosenbaum and the original donors who helped make the House into a reality, to the donors that support us today. While the COVID-19 pandemic and other social issues occurring around the globe have our focus, Rosenbaum Family House and our guests are still at the forefront for many. We want to thank all of you who have taken time to send Wish List Items, drop off masks, and send an encouraging word. You have made a difference for everyone at the RFH and helped keep us going when needed items are sometimes in short supply. Those donations are numerous and we unfortunately aren't always able to identify the sender, but we appreciate each one and sincerely thank you for your support.

Other donations have come in the form of dollars to support our meal program in its current version of providing boxed meals three nights a week. Since the middle of March we have received tremendous support for this program. Thank you to the Burnsworth Family in memory of Joyce Amelia Nutter, The Jones Family, The Colombo Family, Marie Richardson, Crossroads Church - Star City Community Group, Someone Who Cares!, We Love You!, WVU Medicine Office of Legal Services, Berkshire Hathaway Home Services Touchdown Home Pros Realty, WVU Office of Research & Graduate Education, March Westin, Tucker Family in memory of Shawn Tucker #Tucker Tough, Aly Goodwin Gregg, WVU Medicine Recruitment & Retention Team, and Kristi Crutch. Many of these donors provided more than one evening of meals to our guests. A special thank you also goes to the Colombo Law Office for providing a catered Easter dinner to the guests.

We truly can't say thank you enough to all of the donors who support Rosenbaum Family House. Your generosity helps keep Hilda's Dream alive!

For more information on supporting our meal program or donating wish list items contact Development Officer, Jill Zangari.

ADOPT-A-DAY 2020 MAY 18

In Memory of Shawn Tucker.

Congratulations

We want to congratulate Lesley Klishes for being chosen as the WVU Medicine Volunteer of the Month for May.

Lesley has been a volunteer at RFH for many years and has provided our guests with many fun afternoons of Bingo and quilting classes. Lesley recently became a member of the Rosenbaum Family House Board of Advisors as well as a member of the Friends of WVU Hospitals Board.

Throughout the pandemic, Lesley has been busy making masks for the staff and families at the RFH. She has even recruited others to help make masks if they are needed.

Congratulations Lesley!! An honor well deserved.

We are in immediate need of k-cups, paper towels, liquid fabric softener, laundry detergent, and Lysol spray/wipes.
