

Around the House...

News from June 2020

**ADOPT-A-WEEK 2020
JUNE 29 – JULY 3**

**With lots of love to remember
the amazing Grandma Hilda.
The Jones Family**

Please note that Development Officer, Jill Zangari has a new email address and can now be reached at JZangari@wvuf.org. This change took effect on July 1, 2020. Please change your records to indicate the new address. Jill's phone number is still the same at 304-598-6094, Opt. 3.

As the pandemic continues we continue to serve our guests boxed meals three nights a week. We would like to thank the Butcher Family, the Makani Family, the WV School of Medicine 1st Year Medical Students, a Generous Donor, and Kristi Crutch for supporting our meal program in June.

For more information on how you can support this program, contact Jill Zangari at JZangari@wvuf.org or 304-598-6094, Opt. 3. Your support is greatly appreciated.

Our Adopt A Day/Week Program is a great way to support Rosenbaum Family House. 100% of the proceeds from this program support our families who have difficulty paying for their stay while getting needed medical care at WVU Medicine. For \$250 you can choose a day or for \$1000 a week. For either, you choose the date(s) and the message you would like to share. Your Adopt A Day/Week message will be shared on Facebook, in our newsletters, and on our screens throughout Family House.

Dates for the rest of 2020 and beyond are currently available. If you would like more information on how you can Adopt A Day/Week please contact Development Director Jill Zangari at the email or number listed above.

Our Employee Feature is new to the monthly newsletter. Each month we will be featuring one of the amazing RFH staff members and this month we are proud to feature Treshania Blair. "Tresh" has been on staff since November 2019 and is a great asset to the team.

Originally from Jamaica, Tresh moved to Gaithersburg, MD when she was 9 and remembers the shock of going from a small island to a place with large trees, traffic signs, and a highway that seemed like it would never end. She quickly adjusted to her new way of life and says that as a 9 year old she could never have imagined where life was going to take her.

Tresh says that what she loves about working at the RFH is that we provide the best we can for all who stay here. Everyone goes above and beyond in any way and every way they can and it feels rewarding to come to work every day and know that she is a part of something larger than herself. She says she thinks we sometimes forget the importance of the collective and she's glad to have the opportunity to be a part of such a collective environment.

This fall, Tresh will be starting at WVU in the Health Informatics & Management Program through the School of Medicine while continuing to work at the RFH. We are thrilled to have Treshania Blair on our team!

Tresh with and without her COVID19 mask.
